Sir:

Please find attached a proposed Certificate of Correction.

Please correct the following errors appearing in the printed patent which are apparently the fault of the U.S. Patent and Trademark Office, as per the attached Certificate of Correction. Since the error is the fault of the USPTO, no fee is due.

On the cover page, item (54) Title, line 1 of the printed patent, "CALIPER BODY METHOD" should be ---CALIPER BODY AND METHOD---. This was stated correctly in the Filing Receipt, mailed on 12/27/2000.

The following errors are apparently the fault of the inventors. Payment of the fee is enclosed.

At column 11, line 24 (claim 8, line 2) of the printed patent, "brake as claimed 1" should be --brake as claimed in claim 1---.

At column 11, line 50 (claim 10, line 2) of the printed patent, "brake as claimed 9" should be

---brake as claimed in claim 9---.

Therefore, it is respectfully requested that a Certificate of Correction issue in the above-identified patent as follows:

On the cover page, item (54) Title, line 1 of the printed patent, change "CALIPER BODY METHOD" to ---CALIPER BODY AND METHOD---.

At column 11, line 24 (claim 8, line 2) of the printed patent, change "brake as claimed 1" to --brake as claimed in claim 1---.

At column 11, line 50 (claim 10, line 2) of the printed patent, change "brake as claimed 9" to ---brake as claimed in claim 9---.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully submitted,
Yoshiaki UMEHARA et al.
